You are always welcome to enjoy Artrain as a guest. We simply ask that you comply with reasonable standards of behavior. Please do not distract or engage in casual conversations with “on-duty” employees and remember your presence reflects on Artrain and on yourself.

Workplace Conduct

Artrain strives to develop and maintain a pleasant, efficient, and fair work environment that fosters cooperation and understanding. All employees are expected to exercise personal and professional integrity in all activities. All staff members are expected to be:

- Careful and conscientious in the performance of their work.
- Respectful and considerate of others.
- Courteous and helpful when dealing with other staff and board members, clients, volunteers and the general public.

“Open Door” Lines of Communication

Artrain’s management believes in maintaining open lines of communication with all employees. We maintain an “Open Door Policy” and encourage all employees to ask any manager any question they may have about the history, governance, management or operating methods of Artrain. It is the supervisor’s responsibility to respond quickly and clearly to questions in order to ensure clarity and understanding throughout our organization. Employees must be similarly open to questions posed by supervisors.

Visitors and Constituents Service

Artrain strives for exemplary service for all of our constituents including community hosts, visitors, volunteers, donors, board members and other employees. We believe that all visitors must be treated as “honored guests”; we make decisions based on what is best for our guests and hire employees who will work to achieve this goal. With that, we offer employees the charge to manage and solve customer complaints to their best ability when they receive a complaint. If the employee is not able to resolve the complaint to the customer’s satisfaction, they should notify their supervisor immediately.

Working with Volunteers

Volunteers are an important part of the workforce at Artrain. Volunteers should be treated with great respect and must be managed with great care. Volunteer contributions from the community and volunteer labor benefit Artrain greatly and contribute toward a financially viable operation. Volunteer efforts amplify the work of paid staff and volunteers are wonderful ambassadors for Artrain in the community. Volunteers work as community hosts, steering committee members; tour guides, demonstrating artists organize and work at fundraising events do office work and perform many other useful tasks. The members of the board of directors are all volunteers.
Volunteers are expected to follow Artrain policies and procedures while on assignment. If you observe a volunteer performing badly or find certain volunteers difficult to work with please inform your supervisor.

Employee Conduct

Employees are expected to be proficient and conduct themselves in a professional manner. Any conduct which interferes with or adversely affects Artrain’s ability to provide excellent service to its constituents is prohibited. An employee should never be rude. In addition, use of physical violence is strictly prohibited. This applies while on the job, on premises or on Artrain business. If a disagreement arises between an employee and a constituent, the employee should excuse him/herself and notify their manager immediately. Under no circumstance is arguing or fighting with a customer appropriate, even if the employee is correct. Likewise, arguing or fighting among employees is also prohibited.

Anti-Harassment Policy

Artrain is committed to maintaining a work environment in which all individuals are treated with dignity and respect. Each individual has the right to work in a professional atmosphere that is free of bias, promotes equal employment opportunities and prohibits discriminatory practices, including, but not limited to, various forms of prohibited harassment.

In keeping with this policy, Artrain will not condone or tolerate harassment, including sexual harassment, or harassment based on sexual orientation, or harassment based on any characteristic protected by federal, state or local law, by or against any of its employees, applicants, visitors or members of the general public. Artrain provides ongoing training to ensure employees the opportunity to work in an environment free of such harassment.

Unwelcome sexual advances, requests for sexual favors, or any other verbal or physical conduct or communications of a sexual nature constitute sexual harassment when:

1. Submission to the conduct or communication is made a term or condition, either explicitly or implicitly, to obtain employment;
2. Submission to or rejection of the conduct or communication is used as a factor in decisions affecting the harassed individual’s employment; or
3. The conduct or communication has the purpose or effect of substantially interfering with the harassed individual’s employment or creating an intimidating, hostile or offensive employment environment.

Sexual harassment does not refer to behavior or occasional compliments of a socially acceptable nature. Rather, it refers to behavior that is not welcome, that is personally offensive that fails to respect the rights of others that lowers morale and that, therefore, interferes with work effectiveness. Sexual harassment may be overt or subtle. Some behavior that is appropriate in a social setting may not be appropriate in the workplace. Sexual harassment includes many forms of offensive behavior and includes gender-based harassment of a person of the same sex as the harasser.

Sexual harassment may take different forms:

- Specific: Demand for sexual favors.
- Verbal: Sexual jokes and innuendo, suggestive comments, catcalls, verbal abuse of a sexual nature, commentary about an individual’s body, sexual prowess or sexual deficiencies, sexual propositions and/or threats.
- Nonverbal: Sexually suggestive objects or pictures, suggestive or insulting sounds, leering, whistling, insulting or obscene gestures, display or circulation in the workplace of sexually
suggestive objects or pictures (including through email or other electronic means).

- Physical: Unwanted physical contact, including touching, pinching, brushing the body, Impeding or blocking movements, coerced sexual intercourse, assault.

Harassment based on sexual orientation or other protected characteristic is also strictly prohibited, such as conduct that denigrates or shows hostility or aversion toward an individual because of his or her sexual orientation. Also included in this definition is harassment based on race, color, religion, sex, age, national origin, disability or other characteristic protected by federal, state or local law. Harassing conduct includes, but is not limited to, epithets, slurs or negative stereotyping; threatening, intimidating or hostile acts; denigrating jokes and display or circulation in the workplace of written or graphic material that denigrates or shows hostility or aversion toward an individual or group (including through email).

If an individual feels that any conduct or communication is inappropriate, the best policy is to immediately inform the person involved and request that he/she cease such behavior. In addition, the employee should immediately report the matter to his/her supervisor. If the supervisor is unavailable or the employee believes it would be inappropriate to contact that person, the employee should immediately contact the president/CEO of Artrain. Also, any supervisor or manager who becomes aware of possible sexual or other harassment should promptly advise the president/CEO. If a complaint is to be brought against the president/CEO, the incident(s) shall be reported to the board of directors. Artrain guarantees that an employee reporting incident(s) of harassment will not suffer any form of reprisal or retaliation. All complaints will be handled in a timely and, to the extent possible, confidential manner. The investigation will involve examining the totality of the circumstances, the nature of the harassment and the context in which the incident(s) occurred. Upon completion of the investigation, the results and any action taken will be reported to the complaining employee, applicant or other party.

Whistleblower Policy

If any employee, volunteer or Board member, or anyone involved with Artrain becomes aware that, or suspects that, someone at Artrain is engaging in illegal activity, or engaging in activities that violate Artrain’s policies and procedures or code of ethics and conduct, or is misusing Artrain’s property, facilities, finances, name or records, and reports the activity to Artrain’s staff, Board or local, state or federal officials, Artrain will not punish the employee or volunteer in any way for the report. Punishments that are not allowed include firing, demotion, suspension, harassment, failure to consider an employee for promotion, or any other kind of discrimination.

1. Artrain maintains an open door policy. If you have any questions or concerns, and you want to talk with someone about your concerns, you may speak in confidence (and anonymity, if you wish) to your direct supervisor, or if that is not comfortable, to the business manager, the president/CEO, or a member of the board (preferably, the chair of the board’s audit or executive committee). If you suspect that Artrain is engaging in any illegal or financially inappropriate activities, you may likewise discuss the issue in confidentiality with your direct supervisor, the president/CEO, or with the Board, or you may submit a report to local, state or federal governments. Artrain will not punish you in any way for reporting illegal or financially inappropriate activities that Artrain may be engaging in.

2. Even if the claims are unfounded, Artrain will not retaliate against you in any way. The law does not force you to prove your suspicions or concerns. A reasonable belief that illegal activity exists is enough to protect you from punishment or retribution. However, any allegations that prove to have been made maliciously or knowingly to be false will be viewed as a serious disciplinary offense.

3. Artrain takes all complaints seriously. Artrain will investigate all reports of illegal or improper activities submitted by employees, volunteers, or members of the Board and, if necessary, will fix
the problems. Artrain will protect your confidentiality to the extent possible, consistent with the need to conduct an adequate investigation.

Teamwork

Teamwork is essential to achieving our goals of maintaining Artrain and providing constituents with a quality Artrain experience. Following a supervisor’s instructions is a necessity. No task is trivial. It is important to do each task to the best of your ability -- your fellow workers count on your excellence. If one person is not doing his/her share, the burden affects everyone else. Therefore, if an employee starts shirking responsibilities, we request that the problem be corrected. If it is not corrected, the employee will be asked to leave.

You must always follow the instructions of a supervisor. If you disagree with a supervisor’s instructions, first follow the instructions. Then, at the first opportunity (e.g., at the end of the shift or during a break) you should talk to the supervisor about the instruction with which you disagreed. If you and the supervisor cannot come to an understanding take the problem to the next higher level of management.

Employee Appearance and Dress

Dress for your day. The way you dress affects how you present yourself and how others perceive you. Staff should exercise good judgment and common sense in regard to their appearance. Please come to work in neat and clean clothes.

If you have meetings with professionals, dress professionally. If you are meeting with artists in a foundry, wear clean jeans and a nice sweater. Use common sense. Beachwear is never appropriate in the workplace, for example.

Tour Staff: It is important for the tour staff to be easily recognized as Artrain staff members when working at our community stops. Uniforms are provided for on board staff to fulfill this need. Tour staff members are expected to report to work in neat, clean and pressed uniforms.

Tour Staff Uniforms

1. Artrain will provide a number of uniform shirts. Staff can purchase, at their expense, as many uniform shirts as they would like.

2. Artrain staff must wear black pants or shorts. Artrain will provide an allowance to each tour staff member to use toward the purchase of their own pants and shorts. Shorts must be of appropriate length.

3. Shirts must be tucked in. Pants must not fall below the waist or sag/drag on the floor. No bare midriffs are allowed.

4. Shoes and socks are provided by the employee. Please note: Open-toed or opened-heeled shoes are not allowed for safety reasons.

5. Tour staff members are expected to dress appropriately whenever appearing before the public or at constituent or donor events unless otherwise specified. Most often business dress is appropriate. During such occasions, the only piercings allowed are earrings for women, appropriate for the clothing.

Work Schedules & Compensation

Work hours and pay

Due to the nature of Artrain’s business, employee’s schedules will vary; therefore, no one (including home staff) should plan on working a “regular” workweek, Monday-Friday; 8:30 a.m. to 5 p.m. Our primary business may require staff to work weekends and evenings.
Working at the Home Office

General Office Hours for the home office are Monday through Friday, 8:30 a.m. to 5 p.m. This schedule totals eight open hours and includes an unpaid a half-hour lunch. These are the hours that full-time home office staff generally works however evenings and weekend hours are often required. When home during tour breaks, tour staff is expected to work the same hours as office staff.

Home Office - The home staff should expect to assist tour operations, attend fundraising functions, board and committee meetings, conferences and community events that take place on weekends and in the evening. Whenever it is possible advance notice will be given to home office staff when weekend or evening hours are required. Advanced notice is not guaranteed.

We will endeavor to arrange schedules so staff members will work as close to five days per week as possible. Your schedule of daily work hours will be given to you by your supervisor. You will be notified as soon as possible whenever a change is necessary. Should you have any questions concerning your work schedule, please ask your supervisor.

Lunches: If you work longer than four (4) hours, you will be given an unpaid lunch period.

Employees may request and be approved for a 30-minute or a 60-minute unpaid lunch, depending on their assignment. We ask that all employees coordinate their lunch period with co-workers to insure adequate coverage for all functions. Lunch periods are not part of your 8 hour workday. For example if an employee is scheduled to work full time (eight hours/day) at the home office and takes a one hour lunch, they would report to work at 8:30 a.m. and leave at 5:30 p.m. = 8 hours of work and 1/2 hour for lunch.

Working during the Tour

Tour Staff Hours- When Artrain is open, exhibition and facility staff will be scheduled, respectively, by the tour and facility managers for guide training, facility set up and strike, receptions and open hours. The tour and facility managers will endeavor to schedule staff members for five days per week.

Employees must understand that this is not always possible.

Lunch periods for tour staff will be scheduled by the Tour and/or Facility Managers.

Part-time Employees: Your schedules will be determined by your assignments and negotiated with your immediate supervisor.

Flexible Schedules - Home Staff Only. Artrain offers flexible scheduling in order to accommodate an employee’s needs. Flexible scheduling is considered a benefit for the employees and as such may be canceled at any time. **Requests for flexible scheduling need to be approved by the employee’s immediate supervisor and the president/CEO.** Approval for flexible schedule requests will be based on the following criteria:

- The staff member must be in good standing. An employee must not have any performance or disciplinary issues outstanding.
- All of the employee’s job requirements will be met.
- General Office Hours are covered - meaning that there is always someone scheduled in the office from 8:30 a.m. to 5 p.m. to answer telephones and greet visitors.
- Other employees will not be overburdened to accommodate a flexible schedule. The rearranged hours may not be such that other staff members are hampered in their work efforts because of the schedule.
• Overtime will not be incurred because of the flexible work schedule. (This applies to nonexempt personnel.)

• Flexible Scheduling: An employee’s schedule may vary from Artrain’s core hours by no more than 1.5 hours.

• The rearranged work schedule must closely approximate Artrain’s normal hours. In other words an employee may come in early, shorten their lunch break or stay later on other days to make up the time. Some time may also be made up on the weekend.

• Flexible schedules should be reviewed quarterly by the employee and their supervisor.

• An employee must submit a request for a flexible work schedule to their supervisor. It must be approved by their supervisor and the president/CEO and filed in the employee’s personnel file.

• An employee’s flexible schedule may be altered or canceled at any time by the employee, their supervisor or the president/CEO.

Absence or Lateness

From time to time, it may be necessary for you to be absent from or late to work. Artrain is aware that emergencies, illnesses, or pressing personal business that cannot be scheduled outside your work hours may arise.

If you are unable to report to work, or if you will arrive late, leave a message on the central telephone machine (extension 500) and in addition contact your supervisor immediately. Give him or her as much time as possible to arrange for someone else to cover your position until you arrive. If you know in advance that you will need to be absent, you are required to request this time off directly from your supervisor. (See Leave Request Form.)

Absence from work for three (3) consecutive days without notifying your supervisor will be considered a voluntary resignation.

Record of Absence or Lateness

If you are absent because of illness for three (3) or more successive days, your supervisor may request that you submit written documentation from your doctor. If you are absent five (5) or more days because of illness, you may be required to provide written documentation from a doctor that you are able to resume normal work duties before you will be allowed to return to work. You will be responsible for any charges made by your doctor for this documentation.

Pay periods: Pay checks are issued biweekly on Fridays for the pay period ending the previous Sunday. It is possible for you to arrange for the direct deposit of your check to your financial institution. Please consult with the finance manager to set up direct deposit.

Time Sheets/Records

By law, we are obligated to keep accurate records of the time worked by "nonexempt" employees. This is done by written documentation on organization time sheets. (See finance manager for instructions.) Please record your time in and timeout when taking lunches. You are not paid during your lunch break.

Your time sheet is the only way the organization knows how many hours you worked and how much to pay you. All employees are required to keep the office advised of their departures from and returns to the premises during the workday.

If you forget to write in or make an error on your sheet, your supervisor must make the correction and you and your supervisor must initial the correction.

No one may record hours worked on another’s time sheet. Tampering with another employee’s time
sheet is prohibited. Do not alter another person's record, or influence anyone else to alter your record for you. In the event of an error in recording your time, please report the matter to your supervisor immediately.

**Overtime Pay**

Nonexempt employees are paid at the rate of one and one-half (1.5) times their regular rate of pay for hours worked in excess of 40 hours in a workweek. Overtime hours must be approved in advance by your supervisor. Only hours actually worked are used to compute overtime earnings. Paid time off is not used to compute overtime. Exempt staff members are not eligible for overtime pay.

**Mandatory Deductions from Pay**

Artrain is required by law to make certain deductions from your paycheck or direct bank deposit each time you are paid. Among these are your federal, state and local income taxes and your contribution to Social Security. These deductions will be itemized on your pay period earnings statement. The amount of the deductions is based on your earnings and the information you furnish on your W-4 form regarding the number of dependents/exemptions you claim. Any change in name, address, telephone number, marital status or number of exemptions must be reported to your supervisor immediately, to ensure proper credit for tax purposes. The W-2 form you receive for each year indicates how much of your earnings were deducted for these purposes.

Garnishment of Wages – Artrain will comply with any legally mandated garnishment of wages.

**Voluntary Deductions from Pay**

Artrain also provides employees the opportunity to make voluntary deductions from pay. These would include items such as medical insurance, a 403(b) retirement plan, flexible benefits program, contributions or employee expenses. These deductions require employee authorization and will be itemized on your pay period earnings statement.

**Events and Meetings**

Special events – When Artrain hosts a special or fundraising event, those staff members required to attend are not charged for the event. Before the event staff will be notified whether or not meals are to be provided to the staff.

Special circumstances – Occasionally, during board meeting sessions at Artrain host communities, Artrain staff is invited but not required to join the board or home office staff for casual meals where all are paying their own costs. Home office staff on travel will include those costs in their expense reimbursement request. If tour staff chooses to attend on their own they will not be reimbursed for those costs but will receive their usual per diem. If tour staff is required to attend such an event Artrain will reimburse the staff member for reasonable expense over $20 and still receive per diem.

**Safety and Security**

**Workplace Safety – For the safety of our staff and constituents** it is imperative that Artrain comply, if not exceed, in meeting all safety regulations and standards mandated by state and federal laws. Employees willfully ignoring these regulations and standards will face disciplinary actions and/or immediate dismissal.

**Workplace Injuries and Workers’ Compensation**

Federal law (“Occupational Safety and Health Administration (OSHA)”) and Michigan law (“MIOSHA”) require that we keep records of all illnesses and accidents that occur during the workday. The Worker’s Disability Compensation Act also requires that you report any illness or injury on the job, no matter how slight. Our staff members are protected by workers’ compensation insurance for all illness or injury
arising out of and occurring within the scope of their employment.

If you are injured on the job, please notify your supervisor immediately, no matter how minor the injury may seem. If you fail to report an injury, you may jeopardize your right to collect workers' compensation payments.

OSHA also established your right to know about any health hazards that might be present on the job. Should you have any questions or concerns, contact your supervisor for more information.

Security

It is important that Artrain’s facility, home office, artworks, equipment, records and possessions remain secure. Security procedures are in place to protect these items. It is imperative that these procedures are always followed. It is as imperative that our security procedures not be disclosed to anyone that is not an Artrain employee. It is our policy neither to comment on security procedures nor the value of Artrain’s possessions (especially the artwork), period. If anyone request information, please respond by saying that it is our policy not to comment or disclose our security procedures.

Possessions belonging to or stored at Artrain should not be removed without the express permission of a supervisor.

In any businesslike Artrain security problems may arise from time to time. When security problems occur they will be investigated to obtain the facts. We expect all employees to cooperate with any investigation. Artrain reserves the right to use any lawful method of investigation which it deems necessary to determine whether an employee engaged in conduct warranting discipline or discharge.

All property of Artrain should remain at Artrain except when needed off-site in the normal course of
accomplishing expected or assigned work.

**Intellectual Property**

In the course of its activities, Artrain has purchased, created, developed and/or compiled reports, articles, databases of information, lists of data, software and other valuable intellectual property. These items will be given to and used by employees in the course of their work at Artrain. Ownership of all of these items remains with Artrain and not the employee(s) that created them, and any duplication or unauthorized use of these properties is not allowed.

**Computer Software (Unauthorized Copying)**

Artrain prohibits the illegal duplication of software. Copyright holders are given certain exclusive rights, including the right to make and distribute copies.

- Artrain licenses the use of computer software from a variety of outside companies. Artrain does not own this software or its related documentation and, unless authorized by the software manufacturer, does not have the right to reproduce it.

Artrain employees who make, acquire or use unauthorized copies of computer software shall be disciplined as appropriate under the circumstances. Such discipline may include dismissal.

**Job Descriptions**

Job descriptions are maintained for each position at Artrain. When your duties and responsibilities are significantly changed, your job description will be updated. The job description will be reviewed annually by both the employee and Artrain.

**Performance Reviews**

The primary reason for performance reviews is to evaluate your performance on the job between evaluations. This review will compare your job performance to the goals set for the year and to the description of your job. This is a good time to discuss your interests and future goals, and to explore further training for professional development. The appraisal will be conducted by your supervisor with review by the president/CEO.

Your supervisor is responsible for observing and evaluating your performance. She/he will schedule performance evaluations with you on a regular basis. The performance evaluation interview will be conducted with you and your supervisor. Your supervisor’s supervisor may be present if you or your supervisor requests. This will give both of you an opportunity to air thoughts, feelings or problems.

Your performance is measured by your knowledge of your work, your productivity and the quality of your work, your attitude, punctuality, relationship with co-workers and managers, the quality of service you give to constituents, your conscientiousness and professionalism, your progress in achieving the major goals set to be accomplished during the course of the year and areas for future employee development.

It is your responsibility to use the “Open Door Policy” if you disagree with your evaluation. Finally, please be advised that the fact that Artrain utilizes a performance evaluation process in no way alters anyone’s “at-will” employment status.
Wages and salary

Wage and salary changes are based on merit and the financial status of the organization, not length-of-service or the cost-of-living. Having your compensation and/or performance reviewed does not mean that you will be automatically given an increase.

Education/Training (Attending Seminars/Training Sessions)

From time to time, Artrain may arrange to have both formal and informal training programs to enable staff to progress in their knowledge of our business and the skills required to fulfill their position. Several times a year employees may be selected to attend workshops, or training programs. Employees will receive a normal paycheck while attending these training programs or workshops. All or a portion of the expenses for off-premises training will be paid for by Artrain depending on the nature of the course. Check with your supervisor for details.

If you become aware of a particular seminar that you believe is appropriate for enhancing your skills (and/or those of other employees), please bring it to the attention of your supervisor. Since these seminars are usually offered only at specified times in a geographical area, please be sure to notify your supervisor as far in advance as possible. This way, he or she can attempt to schedule workloads to accommodate your (and/or other employees’) desire to attend the seminar.

Disciplinary Procedures

*Nothing in this section should be construed to alter the at-will relationship between Artrain and its employees.*

The primary objective of any disciplinary action is to improve job performance. Actions by staff members that are inappropriate for the work environment, hinder effective job performance, or violate agency policy are examples of improper conduct that may result in disciplinary action.

Disciplinary action may include but do not have to include any or all of the following steps: verbal warning, written warning, suspension or dismissal. The various forms of discipline described above may be taken in whatever order management deems appropriate in each instance, and management reserves the sole discretion in determining what discipline is appropriate in each instance. When necessary, disciplinary action will be initiated by your supervisor with approval by the president of Artrain. Any written warnings must be placed in the employee’s personnel file, and the employee will have an opportunity to write a response which will also be placed in the employee’s personnel file.

Employee Complaints

Occasionally misunderstandings, disagreements or questions may arise requiring investigation and clarification. If you have a complaint related to work, follow the procedure below:

**Step 1.** If you have a complaint pertaining to any procedure, situation, or policy at work first discuss it with your supervisor. The supervisor will investigate the situation and respond promptly.

**Step 2.** If you feel that the supervisor’s answer is inadequate and further action or consideration is necessary you can request your supervisor to:

A. Schedule a meeting with the president/CEO so you may lodge an oral complaint, or

B. Deliver a written copy of your complaint to the president/CEO.

Note: Be sure that your presentation is factual and that you present your position in an effective, reasonable manner. Where possible suggest alternative solutions or improvements. Bring up your concerns as soon as possible so they do not lose their immediacy.
The president/CEO will study your complaint and the action or lack of action taken by your supervisor. He/she will try to work out a satisfactory solution to your complaint. The president/CEO will respond, if possible, to your complaint within one week. If the president/CEO, for whatever reason, believes that he/she cannot respond within one week she/he will discuss this with you to determine a mutually acceptable response period.

**Step 3.** If Step 2 does not adequately resolve your complaint, or if your complaint is against the president/CEO, you should request in writing a meeting with the chair of the board of directors or their designee. All written requests shall be sent to Artrain's address to the attention of the chair of the governance committee. The governance committee will investigate the situation within a reasonable time period and attempt to resolve all difficulties promptly and fairly.

**Step 4.** Step 4: If you feel the governance committee’s resolution is not satisfactory you may request that your complaint be presented to the executive committee of the board of directors. The governance committee chair will present your complaint to the Executive Committee for a final ruling. You will have the right to attend and speak at the Executive Committee meeting at which your complaint is being presented.

**Separation**

Artrain requests that you give at least 30 days’ notice in the event you intend to leave our employ, but the organization recognizes that as an “at will” employee, you may terminate the relationship at any time.

**References**

Unless an employee has made a request in writing, Artrain is authorized to provide only a standard employee reference. The standard reference includes confirmation of dates of employment, title and salary range.

**Exit Interviews**

Artrain management would like to discuss your reasons for leaving and any other impressions that you may have about Artrain. If you decide to leave, you will be asked to grant us the privilege of an exit interview. We hope that this exit interview will provide insights into possible improvements that we can make. All information will be kept strictly confidential and will not affect any information Artrain shares when giving references about you.

**OTHER**

**Employee Expenses**

Employees should always attempt to make Artrain purchases with approved Artrain suppliers and on account. A purchase request with the name of the supplier and the purchase amount should be made to the finance manager in advance of the purchase when an approved supplier is not available.

When it is necessary for the employee to make a purchase with personal funds, reimbursement will be paid on the next payroll check providing a request for reimbursement has been submitted. Reimbursement requests should be made within 30 days of the purchase date otherwise the reimbursement may be denied.

**Cellular Phones**

Cellular phones are assigned to various staff members. These phones are provided for business and emergency use only. If you are assigned a cellular phone, your supervisor will provide written instruction
on the service provider’s agreement, plan network, phone use and your monthly allotment of minutes. It is incumbent upon those assigned a cellular phone to comply with the service provider’s agreement (available from the finance manager) and within the number of monthly plan minutes assigned to the user. If the user goes over the monthly allotted plan minutes, outgoing personal calls as well as a prorated portion of incoming calls will be billed directly to the user.

Telephone and Credit Cards

Artrain provides a calling credit card number for business use. Personal calls placed from the home office, landline at the tour site, or cell phones are billed to the staff member. Employees that are issued a telephone, gas and/or revolving credit card may use these cards for Artrain related business only. Violation of this policy may result in the revocation of credit card privileges and/or dismissal. If you mistakenly use an Artrain credit card for personal purchases notify the finance manager immediately and make arrangements for reimbursement to Artrain.

A note about telephone calls

Whether you are at the home office or on tour, while on duty you should limit the personal calls you make or receive, whether on Artrain or personal phones. While we do acknowledge that employees from time to time receive personal calls, they should never disrupt your work at Artrain. In particular, do not take personal calls during meetings unless they are emergency calls.

Personal vehicle use and mileage reimbursement

Employees will be reimbursed for mileage when their personal vehicles are used for Artrain related errands. The remuneration for mileage is based on the amount allowable by the IRS (please check with the finance manager for current rate.) Reimbursement for mileage will be paid by Artrain on the employee’s next payroll check. Requests for reimbursements must be made within 30 days of the mileage date otherwise the reimbursement may be denied.

Outside Employment/Nonprofit Activities

If you are thinking of taking on a second job, you must notify your supervisor immediately to avoid the possibility of a conflict of interest. A conflict of interest occurs when the interests of the employee or another outside party actually or potentially affect Artrain in a negative way. A perceived or actual conflict of interest must be avoided and should be remedied by employees as soon as it is known. Employees may not earn profit from outside employment or business interests that directly result from affiliation with Artrain. Similarly, if you are associated with any nonprofit organizations, and especially if you are involved in fundraising activities for the organizations, discuss this with your supervisor. While Artrain encourages its employees to be active in nonprofit organizations, it is important to avoid any possible conflicts of interest between Artrain and other nonprofit organizations you may be involved in.

Hiring of Relatives

Artrain has no prohibition against hiring relatives or co-habitants of our staff members. However, one general restriction has been established to help assure fair treatment of all staff members. While we will accept and consider applications for employment from relatives and co-habitants, family members and co-habitants will not be hired, promoted or transferred into positions in which they directly or indirectly supervise or are supervised by another family member or co-habitant.

Parking

Free parking is provided at the NEW Center for employees of Artrain. On several occasions during the year, however, employees may be asked to find alternate parking, at their own expense, or seek alternate transportation to NEW Center to accommodate Artrain display hours or NEW Center conferences and workshops.
Fees and Honoraria

Employees are encouraged to be active in the community and as a result may be asked to lecture/present to outside groups on behalf of Artrain. Please inform your supervisor of any outside activities in which you are engaged. With an employee’s supervisor’s prior approval and providing that any engagement does not create a conflict of interest, any fee, donation or honorarium earned may be retained by the employee.

Personal Property

We encourage employees to be prudent about bringing personal items to work, especially sums of money or other valuable items. It should be understood that Artrain will not be responsible for losses resulting from theft of personal property while you are away from your desk or work area. Please report any loss of property to your supervisor immediately.

None of the policies included in this guidelines shall change the “at will” nature of the relationship between the employee and Artrain.

EMPLOYEE BENEFITS – Artrain offers a variety of benefits, including medical insurance plan, retirement plan, flexible spending account, paid holidays and paid vacation and personal time. Artrain’s policies, benefits and rules, as explained in this guidelines, may be changed from time to time as business, employment legislation and economic conditions dictate. If and when provisions are changed, you will be notified. Artrain reserves the right to change or eliminate benefits, change employee eligibility requirements or the conditions in which group insurance coverage is provided at any time.

Eligibility for benefits varies depending on your job classification and whether you are a permanent, full or part-time employee.

If you are eligible for benefits, your “date of eligibility” is calculated in the following manner: after working at Artrain for 30 days, your date of eligibility is the first day of the following month after you have worked 30 days. For example, let’s say you are hired May 15. You work at Artrain for 30 days, and your 30 days are completed June 13. Your date of eligibility will therefore be July 1, the first day of the following month after you have completed your 30 days of work.

Promotion to full-time employment - When a part-time or temporary employee is promoted to full time status, eligibility for medical coverage is determined by the “date of eligibility” of full time employment. This is the first day of the following month after the employee has worked 30 days of full time employment.

INSURANCE COVERAGE

Group Insurance

A comprehensive medical insurance program is available for permanent full-time employees once they have met their eligibility requirements. If you are eligible and choose medical insurance coverage, the insurance carriers provide documents describing your available benefits, eligibility and your responsibilities. A copy of these documents will be given to you when you join the program. If you decline coverage please consult with your supervisor to understand requirements for requesting coverage at a later date. Employees declining medical insurance coverage are asked to sign a written statement indicating their decision.

The following benefits are available for eligible employees, as defined and limited in the literature provided by our insurance carriers.

- Health Insurance
- Dental Insurance
- Vision Insurance
- Long Term Disability
- Life Insurance

**Insurance Premiums** - Artrain periodically sets the rate for employee contributions through payroll deduction toward the premiums for your coverage of Dental, Vision, Long Term Disability and Life Insurance. Please request the current schedule. (Artrain complies with all state and federal laws regarding employee medical benefits payroll deductions).

**Family coverage** - Eligible employees may elect to purchase additional coverage for their spouse or family members through a payroll deduction. Artrain reserves the right to eliminate group benefits, change employee eligibility requirements or the conditions in which group insurance coverage is provided.

**Termination of Insurance – Insurance is terminated**
- The insurance policy terminates or Artrain elects to terminate coverage.
- When you fail to make a premium payment as agreed or when due.
- When you cease to be eligible for coverage under the terms of our group insurance program.
- When you cease to be employed as a regular full-time employee eligible for the insurance.

**Retirement Plan** - Artrain has suspended its 403(b) retirement plan.

**Flexible Spending Account**
The Flexible Spending Account is a plan offered by Artrain that allows the Employee to have a fixed dollar amount deducted pretax from each paycheck and set aside to be used for qualifying medical or dependent care expenses. All new employees will receive a document, which summarizes how the Flexible Spending Account works. In addition, Artrain maintains a more detailed document called the “Flexible Benefits Plan,” which gives complete details of the Flexible Spending Account, and how it works. All Employees may obtain a copy of the Flexible Benefits Plan to read.

- **Eligibility**

  To participate in the Flexible Spending Account governed by the Flexible Benefits Plan, you must work an average of 30 hours per week. Once you have reached your date of eligibility, and in November of each year, you will be provided with an election form. After you have carefully reviewed your estimated medical expenses for the types of medical expenses which are eligible for reimbursement under the Flexible Benefits Plan for the coming Plan Year, you should complete the election form and return it to the Administrator by the due date established by the administrator. The total amount you elect to receive as benefits under this plan will be deducted from each of your paychecks. The deduction you elect cannot by amended during the plan year unless you have a “change in status,” such as marriage, divorce, birth of a child, a change in your spouse’s benefit plan or a change in child custody. Election changes must be made within 30 days of the change in status.

  For details of how the Flexible Benefits Plan works, and which medical expenses are reimbursable under the plan, you are encouraged to speak with Artrain’s plan administrator.

  Current laws governing these accounts provide that any funds remaining in the account at the end of the plan year are forfeited. Therefore, you should take care not to overfund your account.

**Conversion Privileges**
At your exit interview or upon dismissal, please contact your provider to learn if you can continue your insurance coverage and any other benefits you currently enjoy, if eligible.
Holiday Policies

Holiday Pay Eligibility - All qualifying employees are eligible to receive pay for the official paid holidays listed above after they have reached their date of eligibility.

- **Full-time employees** are eligible for holiday pay and are paid eight (8) hours wages for each holiday.
- **Regular part-time employees** are paid for holidays only if the holiday falls on their regularly scheduled workday. Part-time employees are paid on a prorated basis, determined by comparing their weekly work hours to a 40-hour week, and calculating the average number of hours the employee works each day from the date of eligibility and from each subsequent anniversary of the date of hire.
- **Seasonal Employees and Alleesee Fellows**, on tour with Artrain at the time the holiday takes place, are eligible for holiday pay and are paid on a prorated basis, determined by comparing their weekly work hours to a 40-hour week.
- **Temporary employees** are not eligible to receive holiday pay.

Recognized Holidays

Artrain recognizes 10 official paid holidays each year. A list of the dates the holidays to be observed are posted at the beginning of each calendar:

- New year’s day
- Thanksgiving Day
- Memorial Day
- Friday after Thanksgiving
- Independence Day
- Labor Day
- December 24
- December 25
- 2 personal holidays – intended for use for recognized religious or government holidays.

When a recognized holiday falls on a day that staff is required to work, eligible staff may select an alternate day off. The employee must arrange with their supervisor to schedule and use the paid holiday within 60 days of the actual holiday.

All national holidays falling Monday through Friday are scheduled on the day designated. If a holiday falls Saturday or Sunday, the president of Artrain will reschedule it to a weekday based on common business practice and considering input from staff.

Paid Time Off

In addition to the official recognized holidays listed above, Artrain offers paid time off to eligible employees. Paid time off includes vacation, sick and personal time. Paid time off may be taken for either personal illness, or illness of an immediate family member. (Immediate family members include spouses, domestic partners, children and the employee’s or their spouse’s parents and grandparents or siblings).

Paid time off accrual policies

Eligible Employees begin to accrue paid time off beginning with their date of eligibility. After one full year of employment, paid vacation time will continue to accrue after December 31 of each year.

Accrued paid time off will be banked until you use it, at which time the hours you use are subtracted from your total banked hours, as appropriate, in half day hourly or full day increments. Once you have used your total banked hours any additional time off will be taken without pay. Your supervisor must approve paid time off in advance. All employees are required to submit a written request for paid time off with as much advance notice as possible, preferably one week, unless you wish reimbursement for a
sick day, in which case you should submit a written request to your supervisor as soon as possible after returning to duty.

Although all attempts are made to accommodate an employee's paid time off requests, supervisors must take into consideration Artrain's schedule. It may be necessary for the president/CEO to establish a limit to the number of employees that can take paid time off due to special projects or during peak vacation times (i.e., summer and the holidays.) It is generally preferred that no more than three home office employees are on paid leave at any given time. Employees will be notified if a limit is put on vacation time.

**Amount of Paid Time Off**

Eligible Employees begin to accrue paid time off beginning with their date of eligibility. **After one full year of employment, paid vacation time will continue to accrue after December 31 of each year.** The paid time off that you accumulate is based on your length of employment, as follows:

**Accumulation Rights**

Employees are encouraged to use their paid time off. Unless otherwise requested (see carry over and emergency paid time off clause below) all paid time accumulated (including carryovers) and not used before the anniversary of your date of eligibility, or before December 31 if you have been at Artrain longer than a year, will be forfeited. For example, say that you were hired June 15, 2017. Your date of eligibility would be August 1, 2017. You must use all of your accumulated paid time by your date of eligibility, August 1 of the following year (August 1, 2018), or the remaining accumulated paid time will be forfeited. After August 1, 2018, you must use your accumulated paid time that accumulates over at least one year’s period through December 31 (that is, through December 31, 2019), or your remaining paid time will be forfeited. After December 31, 2019, you must use the accumulated paid time by
December 31 of each of the following years (December 31, 2020, December 31, 2021, and so on), or your accumulated paid time will be forfeited in each of those years.

- **Paid leave carry over option** - Five days of an eligible full time employee’s paid time off may be carried over and accumulated into an employee’s subsequent anniversary year. You must present a written request for paid leave carry over to your supervisor before your anniversary date.

  *Part-time, seasonal employees and Alleesee Fellows may not carry paid leave over.*

- **Borrowing against future time off** - An employee may request to have paid time off even though sufficient time has not yet been accrued. The supervisor may, at their discretion, approve the request with the understanding that if the employee leaves Artrain before the "borrowed" time off has been earned; the time spent will be deducted from their last paycheck.

- **Paid time off - emergency bank** - Full time employees may bank up to 45 business days of unused paid time off by the employee to be used in the case of an extended personal or family member illness, birth or adoption of a child, family leave act, bereavement leave or other approved reason. All employees are required to submit a written request to their supervisor for time to be banked. Their supervisor and the president/CEO of Artrain must approve this request.

  *Part-time employees are not eligible for paid leave emergency banks. If a regular full-time employee elects to change to or accept a part-time position, all emergency leave is forfeited.*

- **Accrual of Paid Leave Benefits During Paid Leave** - All employees who are actively at work or on paid leave—such as vacation or personal days—will continue to accrue paid leave benefits provided by Artrain. Should an employee fail to return from a paid leave at the agreed-upon time, their position may be considered to have voluntarily resigned their position. Accumulated annual leave or emergency leave time off will not be paid upon termination.

- **Accrual of Paid Leave Benefits During Unpaid Leave** - Employees on unpaid leave are not entitled to continue accruing paid leave benefits. This includes employees who are receiving income replacement benefits such as short-term disability, long-term disability or workers’ compensation.

- **Payment in Lieu of Paid Time Off** - The purpose of paid time off is to provide you with a time to rest and relax; therefore, no additional wages or salary will be paid to you in lieu of paid time off. Accumulated annual leave or emergency leave time off will not be paid upon termination.

- **Time Off to Vote** - All staff members may take reasonable time off to vote in city, state or federal elections. Since polling places are generally open before and after work, we ask that you make every effort to vote outside of your normal working hours. Staff members who are unable to vote before or after work must make advance arrangements with their supervisor to request reasonable time off to vote at the beginning or end of their normal work hours.

- **Funeral (Bereavement) Leave** - You are entitled to take up to three (3) workdays with pay to attend the funeral and take care of personal matters related to the death of a member of your immediate family. Immediate family members include spouses, domestic partners, children, stepchildren, parents, grandparents, grandchildren and siblings of the employee, their spouse or domestic partner.

  One (1) day of paid funeral leave will be granted in the case of the death of any member of your extended family or significant person in your life. Only regular full-time employees are eligible for paid funeral leave.

  Employees may use accumulated paid time-off, emergency bank paid time or take a leave of
absence without pay to extend bereavement leave.

- **Jury Duty** - Each of us has a responsibility as a citizen to accept jury duty when called. You must notify your supervisor within forty-eight (48) hours of receipt of the jury summons. When an employee is called to serve jury duty they must notify their supervisor immediately. Artrain will reimburse you for the difference between your jury pay and your regular pay, not to exceed eight (8) hours per day, for a maximum of five (5) business days.

On any day or half-day you are not required to serve, you will be expected to return to work. In order to receive your regular wage, you must present a statement of jury service and pay to your supervisor. The court issues this document.

Artrain reserves the right to ask an employee to seek a postponement if circumstances so warrant.

**PAID AND UNPAID LEAVE OF ABSENCES**

- **Leave of Absence** - Employees may be granted a leave of absence if a written request for leave is approved by the president/CEO. The request must be made 90 days in advance of the beginning of the leave and must include the length of the leave (not to exceed 12 months) and the reason for the leave. Approval for a leave of absence is at the sole discretion of the president/CEO, President and Executive Committee. The ninety- (90) day advance notice necessary may be waived if the request for a leave of absence is due to a long or short-term disability.

Employees returning from a leave of absence will be returned to the same or similar position whenever possible; however Artrain cannot guarantee reemployment. Due to organizational necessities the position may have ceased to exist during the leave.

- Artrain will do its best but does not guarantee that an employee will return their previous position upon return from a leave of absence for leaves of 12 weeks or less. For leaves of 12 weeks or more, Artrain will, at its sole discretion, determine whether a position is open and available for the employee.

- **Short/Long Term Disability** - Employees may use accumulated paid time off and their emergency paid time off bank in the event of a short or long term disability. When sick and/or vacation time is exhausted then a leave of absence (see above) request may be made by the employee. Employees should contact the Long-term disability insurance provider immediately in the case of a long-term disability.

- **Leave of Absence – Medical** - Regular full-time and part-time employees of Artrain are eligible for unpaid medical leave of absences. Medical leaves are granted when an employee is temporarily unable to perform his or her job due to illness, injury, pregnancy, childbirth or adoption. Medical leaves are granted for the duration of the disability, up to a maximum of six (6) months.

If requesting medical leave written certification from your physician or other licensed health practitioner must be provided to your supervisor. It should state the nature of your disability, the date your disability began and the expected date of your return to work.

Employees returning from medical leave will be returned to the same or similar position whenever possible; however Artrain cannot guarantee reemployment. Due to organizational necessities the position may have ceased to exist during the leave.

- **Personal Leave of Absence** - Artrain will consider granting an unpaid personal leave of absence in exceptional cases when time away from work will allow an employee to deal with an unexpected or serious personal situation. A personal leave may be granted for up to a maximum of 60 days. If you feel you need a personal leave, you should discuss your circumstances with your supervisor.
Employees returning from personal leave will be returned to the same or similar position whenever possible; however Artrain cannot guarantee reemployment. Due to organizational necessities the position may have ceased to exist during the leave.

- **Military Leave of Absence** - Artrain seeks to comply with all state and federal laws regarding leaves of absence for military duty. If you need to schedule such a leave, please speak with your supervisor and the president/CEO of Artrain.
