ReVIVE All Zones Project Management

The Arts Alliance is managing the ReVIVE All Zones for the Ann Arbor Downtown Development Authority. It follows the principals and best practices of public art and design and will integrate the complementary practices of Tactical Urbanism into this project.

The Arts Alliance believes public art and design projects should engage citizens, be authentic to the community and reflect the breadth and depth of the community's population and culture. It publishes these intentions in its project descriptions and calls for art, juries, board, personnel and volunteers. The team strives to lean in, listen to and act on how its community defines the intrinsic and aesthetic qualities of art and creativity be it by the cultural expert, credentialed scholar, journeyed or self-taught master, and/or the astute consumer of the form.

The Arts Alliance. Arts + Creative Industries = Impact

The Arts Alliance is the arts + creative industry authority in Washtenaw County. A regional agency, its mission is to advocate for and support Creative Washtenaw and ensure that the greater Ann Arbor, Michigan, region remains a great place to create, live, work, learn, play and visit.

The intrinsic and aesthetic values of the arts and creativity are determining factors of success for the members of The Arts Alliance: Creative people from students to industry experts leading the sector locally, nationally and internationally. They are professionals and amateurs who have creative practices, own creative businesses, hold creative jobs in profit, nonprofit and government entities; and offer creative products, services and programs throughout the Washtenaw community.

The Arts Alliance serves Ann Arbor, Chelsea, Dexter, Manchester, Milan, Saline, Whitmore Lake and Ypsilanti plus the 21 townships in the county.

It is committed to, forever evolving and learning about diversity, equity and inclusion. This includes leaning in to listen and act on how the communities it serves define the intrinsic and aesthetic qualities of art and creativity be it by the cultural expert, the credentialed scholar, the journeyed or self-taught master and/or the astute consumer of the form.

The Arts Alliance is supported by its members, the National Endowment for the Arts and the Michigan Council for Arts and Cultural Affairs.
